CLASS HISTORY

On an eventful day in September, 1945, forty-four supposedly worldly Freshmen entered the portals of Cooleemee High School to spend some of the happiest years of our lives.

The girls went to Miss Purcell's room, where we had to resist the temptation of playing with the typewriters that were reserved for the Juniors and Seniors. The boys went to Mrs. Bost's room where they acquired as much knowledge in solving the problems of life as in working Math problems. Mrs. Moody also exercised great power in developing our minds which evidently needed much training. Class officers for the Freshman year were: President, Mary Alice Miller; Vice-President, Peggy Wofford; Secretary and Treasurer, Irene Spry. We were just starting out in sports and were therefore very happy when Mary Alice Miller, Betty Sue Webb and Harold Wagner made the Varsity Basketball teams. We were very proud of Harold Wagner, for receiving the Scholastic Award over the entire school.

Our vacation seemed short, because we were still awed by the routine of high school and anxious to resume our place as Sophomores, with Coach Sinclair as our homeroom teacher. We were more confident that year, and proceeded to enlarge the volume of our knowledge. Imagine our pride when Mary Alice Miller, Peggy Wofford, Iva Grey Eller, Barbara Jean Spillman and Harold Wagner were initiated into the Beta Club! Again three of our girls and two of our boys represented our class on the Varsity Basketball squad. The class officers were: President, Harold Wagner; Vice-President, Pauline Gales; Secretary and Treasurer, Peggy Wofford.

The year sped by, and almost before we knew it, we were "Jolly Juniors"! Only twenty-six of our original forty-four were still with us, and Miss McMahan was our homeroom teacher. It proved to be an exciting year, with our class play "Miss Chatterbox" and our class party. Sports were also in the spotlight, for it was the school's first year of football. Our Junior boys proved themselves to be very capable, because seven of them helped to compose the squad. They were: Lloyd Troutman, blocking back; Joe Cuthrell, left end; Sonny Miller, right guard; George Jordan, quarterback; Harold Wagner, right end, and Richard Beck, right tackle.

Our most successful event of the year was the Junior-Senior Banquet, at the Hotel Charlotte, Charlotte, North Carolina. We were honored to have Mrs. George Apperson as our guest speaker. We were well represented in the final Commencement Exercises with five of the class acting as Marshals, and the remainder acting as ushers to the Seniors. As the year closed with happy memories, we looked forward eagerly to the next year, our final year at dear old Cooleemee High. The Junior Class officers were: President, Peggy Wofford; Vice-President, Sonny Miller; Secretary, Iva Grey Eller; and Treasurer, Barbara Jean Spillman.

Our class had dwindled to twenty-three as we entered the Halls of Learning for this, our last year as the Senior Class of 1949.

Under the direction of Mrs. Schroder we have carried out many activities, such as publishing our newspaper, "Inside C.H.S.," presenting our Senior play, "Just Ducky," and publishing our class edition of "The Indian Echo."

As usual, we went all out for sports with six girls on the Varsity Basketball team, and five boys; and six boys on the Football Squad.

We helped boost the school spirit by having a bonfire, complete with dummy, before the last football game of the season. It was a complete success. Harold Wagner and Eugene Hellard, Seniors, received the highest awards in football by being chosen All-Star Right End and Left Tackle, respectively, by the *Salisbury Evening Post*. Officers were: President, Mary Alice Miller; Vice-President, Mildred Foster; Secretary, Barbara Jean Spillman; and Treasurer, Iva Grey Eller.

Now we are looking forward to the climax of our Senior year, when we will attend the Junior-Senior Banquet as honored guests, tour Washington, D. C., and attend that greatest event of all—our Commencement Exercises.

So, after twelve years of work and play, we have reached the first step on the ladder of success. This is not the ending, only the beginning, and we are looking forward to the future with trust in our hearts and true knowledge that ours is a life of joy and opportunity. We shall endeavor to build upon the firm foundation we have acquired here in dear old C.H.S. for the betterment of ourselves and the world.

LAST WILL AND TESTAMENT

We, the famous Senior Class of 1949 of Cooleemee High School, in the town of Cooleemee, County of Davie, and State of North Carolina, being as certain as Seniors nearing graduation can be of their sound minds, do hereby bequeath our class reputation and certain individual achievements unto the parties herein below mentioned.

ITEM I

1. To Mr. Prim, we leave our sincere gratitude for all that he has done for us.
2. To the school we leave an electric scoreboard and timeclock to be used in the new gymnasium.

- I, Sonny Miller, will to Bud McClamrock my position in football, and hope he doesn't get hurt any worse than I did.

SENIOR MEMORIES

PROPHECY

Although I have only the faces of the Seniors to go by, I shall try to foretell the future of the members of the Class of '49. So if these prophecies don't materialize, kind friends, don't find fault with the prophet; blame the Seniors' faces.

Ten years from now, Peggy Jean Blackwood will be a famous hair stylist, known all over the world.

Mary Alice Miller will be Head Dietitian at the University of North Carolina.

Bob Daniels will have a chain of furniture stores all over the United States.

Joe Cuthrell and George Jordan will be co-owners of the Daffy Dill Circus.

Irene Spry will have her own program over the CBS hook-up. The name of it will be "Name It—And I'll Sing."

Edna Call, Sarah Cartner, and Evelyn Frye will go to Washington, D. C., to work for the Government under civil service.

Harold Wagner will go into the Armed Forces in 1950; he will become a Staff Sergeant in 1959.

Pauline Gales will be married to her present admirer, and will be living in Florida.

Iva Grey Eller will also be married to her present admirer, and will be teaching the first grade at Cooleemee School.

Barbara Jean Spillman will be a model for Harry Conover. And Sonny, who can't take "No" for an answer, will be in New York also, still trying to get Barbara to say "Yes." In his leisure time, Sonny will be an architect.

Dorcas Alexander, a New York artist, will have on display some of her paintings at the World's Fair.

Claude Clawson will buy the Stop-and-Shop from the present owner, but because he doesn't like hard work, he will have Lloyd Troutman doing the work for him.

Richard Beck will be driving a bus from Florida to the State of Washington on a sight-seeing tour 100 times a year.

John Spillman will be writing comic strips for the Cooleemee Journal.

Mildred Foster will be secretary of the United Nations Council.

Betty Sue Webb will buy Minnie Allen's store and convert it into a Soda Shop.

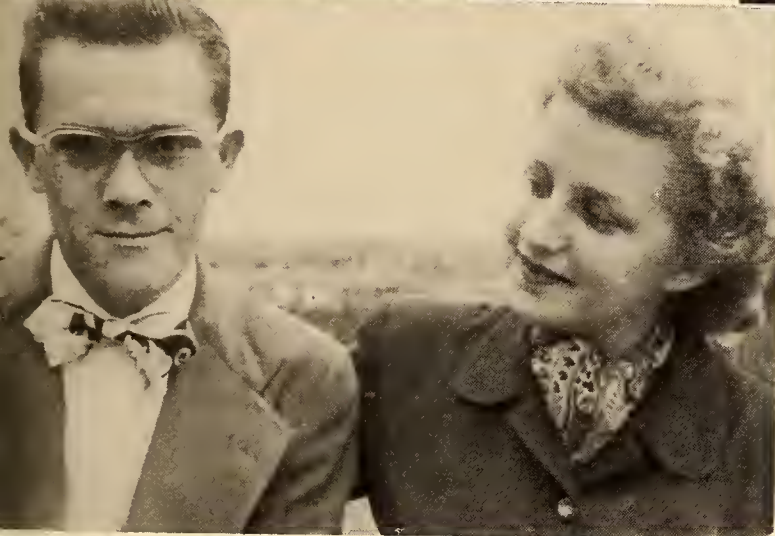

And Peggy Wofford and I will be happily married, I hope.

So, as I see it, the Class of '49 will be prosperous, famous and happy.

CLASS POEM

Dear Classmates,

We have come to the end of the way
And with it comes joy and sorrow;
There's a spot in our hearts for the yesterday
But we look eagerly to a bright tomorrow.

Although hardships may beset our paths
And the right is hard to find,
We'll always believe in our Senior Class,
The hardy class of forty-nine.

We have come to the place where we must part,
Where our lives will start anew.
We come to this place with an ache of the heart,
For it means our saying Adieu.

But we're proud of the record we're leaving behind
As we face the future with pride.
Let's remember our class of forty-nine,
And take everything in our stride.

We won't forget our happy school days,
Nor the ones who made it so fine;
Let's give a toast to our yesterdays,
Dear class of forty-nine.
